(b) whether the installation of continuous real time monitoring device ateffluent and emission discharging points in industrial units has been completed;
(c) if so, the details and status thereof?

Answer

MINISTER FOR ENVIRONMENT, FOREST AND CLIMATE CHANGE

(DR. HARSH VARDHAN)

(a) The Pollution Control Division, Ministry of Environment, Forest & Climate Change does not administer any Emission Trading scheme in the country as a whole. However, a pilot project related to emission trading for Particulate Matter has been under implementation since 2011 and recommendations on the basis of the project has been received.

(b)& (c) Installation of Continuous Emission / Effluent Monitoring System has been completed in approximately 2700 units, which includes 17 categories of industries which are considered highly polluting and Grossly Polluting Industries in Ganga Basin.
